Amazing experts from the world over with incredible insights (plus Angels!)
www.MichaelAndreFord.com

APL Show guests share select life experiences, wisdom earned, tips & techniques, while often discussing their gifts & how they help others. Many connect with Angels, etc. on-air (not a must)!

Strong lighting & a physical background are recommended for the 1- to 2-hour Zoom taping.

GUEST PERK: A virtual tea for quick intros and unique experiences is often offered. Chat with & see Angels (Archangels, your Guardian Angel, Joy, Audrey Hepburn, etc.), Mary, Buddha, Ganesh, Plato, etc. All direct. Get any answers (all languages spoken) & hugs. See full-on & much more. Fun!

At a minimum, Michael offers to blow lit sage smoke via 2 screens for you to catch (floral scents too!). In Ireland, Lorna Byrne got roses & daisies. In CA, Jennifer McLean caught sage & 3 flower scents.

 **Suggested Donation** 
A \$50 donation is fabulous IF you are inclined to do so.

Each show takes 2-5 hours to complete. Unsure? Grab Michael for that virtual tea.
